Monthly Communication

September 2009

### St. Mark's *The East*

Companions,

As the Summer comes to a close we find ourselves ready for a new Capitular year.

We will be starting things off with a joint installation of officers on the second Monday of September with the Fall River R.A.C. Please refer to the schedule on the reverse for the time and address.

This month brings with it the next step in the evolution of our notice. The departed Past High Priests have been removed from the list for the purpose of affording us much needed space. As a compromise, the May or June notice will include a tasteful full page insert that includes all of the names that we have on record.

I am excited and motivated about the upcoming Table Chapter which I have tentatively scheduled for April 24th, 2010. While this needs to be cleared with the Taunton Temple management, I have been working on recruiting volunteers for all aspects of the event.

Our website has been very active over the Summer. If you haven't taken the time to check it out, I encourage you to do so now.

Remember that an organization is only as strong as its members. Thank you all for what you do.

Fraternally,  
Dustin

### Taunton *The East*

Companions,

The main activity this month will be the installation of officers for the year to come.

I thank you for the opportunity to have served Taunton Council as Illustrious Master. I regret that health reasons have prevented me from always performing the duties which I feel I should have done as your Illustrious Master.

I am very grateful to Ill. Bill Epp for filling in for me. The reports I have gotten told me that the meetings went smoothly and the degrees were performed honorably.

As noted elsewhere in this notice, our installation officers will be a joint one with Fall River Council on Monday, September 14, 2009.

My best wishes to the officers to be installed. While it is unlikely that I will find myself physically capable of holding office again, I hope to be able to get back and support the Council from the sidelines.

Fraternally,  
Jim
